

A photograph of a Lavazza coffee shop interior. In the foreground, a glass of coffee with a dusting of chocolate sits on a white saucer. Behind the counter, two baristas in white shirts and dark vests are working. A large, illuminated Lavazza sign is visible in the background, featuring the brand name and 'TORINO, ITALIA, 1895'. The ceiling is decorated with numerous small, warm-toned lights. The overall atmosphere is warm and professional.

CUSTOMER TESTIMONIALS

CAFFEINE

This popular chain saved thousands on milk waste with Latte Art Factory.

“

Training new staff is significantly faster because milk preparation is no longer the bottleneck skill. Since we installed LAF, our **milk wastage has reduced by 40%**. Additionally LAF gives us many options to prepare hot and cold drinks and also serve nitro cold brew drinks. **It is a must nowadays!!!**

Karlis Zeps, Head of Coffee Quality at Reitan Convenience

SHELL CAFÉ

Latte Art Factory has elevated SHELL Café's brand image

“

Since day one, **the team was thrilled.** “It makes their **lives easier** and gives them **confidence.** We see **more repeat visits** and hear from customers that our **coffee tastes better than ever.** They **come back for the quality** — even at a gas station café!

Lana Trampus, Gastro Category Manager at Coral Croatia

LAVAZZA

How Latte Art Factory helped Lavazza develop its new Signature Cappuccino.

Latte Art Factory makes preparation **constant** and **uniform**: it dispenses the **right quantity of milk** into the jug for a cappuccino, at the **correct temperature** and with a **velvety creaminess perfect in terms of quality**.

Marcello Arcangeli, Lavazza Training Center Director
Iconic Italian coffee roaster

5 TO GO

5 to go from Romania is the fastest growing coffee shop chain in Europe with 500 locations. Latte Art Factory is boosting profits for 100 outlets and counting.

“

5 to go outlets with the Latte Art Factory have **witnessed a 30% surge in revenue.**

Radu Savopol and Lucian Bădilă,
cofounders of 5 to go

VAN DER VALK

How Latte Art Factory helps this hotel chain maintain their quality of service.

“

“Latte Art Factory has made a real **difference in the quality** of our beverages. Consistency is key for us, and this machine **delivers excellent results** every time. It allows us to **maintain a high standard** and provide our guests with the same great experience with every cup.”

Victor, F&B Manager at Van der Valk Luxembourg

ONYX

ONYX
COFFEE LAB

“

It's incredibly rare for a new tool to make its way to the cafe bar with such a **strong potential for impact**. ...This opens doors for baristas to **make new, innovative drinks**, expanding creativity.

We wouldn't be shocked to see this in **every specialty cafe** 10 years from now.

Jon Allen, co-founder of Onyx Coffee Lab
Famous roastery in the USA

VELO CAFE

Velo Cafe Huahin in Thailand can serve up to 600 cups a day. Around 50% of those drinks are milk-based. The LAF helps the team keep up with demand without sacrificing quality.

“

The LAF helps **increase the performance** of the team to prepare a drink. It **speeds up our service by 30%.**

Nattapon Sarasisang, owner of Velo Cafe Huahin

SOCIÉTÉ

Société is the premium café chain of Excelso Coffee in Indonesia. There quality isn't just a goal, it's the standard.

“

It's **easy for baristas to use**. The presets make everything **simple and fast**—and the result is **always reliable**. It makes my job easier while **maintaining the high standards** our customers expect.

Reza, barista

CAFE BENIN

How Latte Art Factory improved the beverage experience for Claudia, owner of Cafe Benin in Matulji, Croatia.

“

The best thing about the Latte Art Factory is that **you always get the same milk foam consistency**. During morning rush hours it **speeds up your workflow**. You can regulate the temperature and texture exactly how you like it. **Baristas of any skill level can guarantee consistent beverage quality**.

LOUNGERS

LOUNGERS

Latte Art Factory reduced wait times by upwards of 50% at Loungers.

“

In our high volume sites, Latte Art Factory has helped **reduce our wait times by upwards of 50%**. Without LAF, wait times peaked at 24 minutes and with it we were able to **reduce them to 9 minutes**. A **huge difference!** It's an essential piece of equipment.

Martin Gainard, Head Barista at Loungers
Large UK-based café and restaurant chain

BOTTOMLESS

The Latte Art Factory was engineered to **optimize workflows** with quick and **precise dosing**, and guarantee customer satisfaction with its unparalleled **consistent quality**. It makes the rush a much **smoother experience**.

Popular coffee roaster and coffee shop chain in Bangkok

SODEXO

How Latte Art Factory improved the beverage experience at the PwC office in Luxembourg.

“

Our team has become **more efficient** and our **customers are delighted** with the results in their mugs.

Noémie Mertens, Customer Portfolio Management and Development at Sodexo
Global leader in food and hospitality services

AROS MUSEUM

How Latte Art Factory improved the beverage experience at the ARoS Art Museum's cafe in Aarhus, Denmark.

“

Latte Art Factory **makes the overall flow better.** The machine can **make just about anything you need:** cold drinks, cocoa and iced tea, or just a glass of milk. And **it is the only machine on the market that can do that.**

Barista at ARoS museum

PETER LARSEN

How Latte Art Factory helps baristas through the rush at cafés in Denmark.

“

With the Latte Art Factory you **don't have to focus on steaming** while making an espresso shot. It's a huge advantage at a festival, where **we don't have time to teach people how to steam**, which normally takes several months to learn.

Barista at Peter Larsen Kaffe
Historic Danish coffee roaster

ROOTS

The Latte Art Factory helps effortlessly **include plant milks** to the daily rotation, and also dispenses **cold foam** and **nitro cold brew**. Unlocking an entire category of drinks. It **expands a café's menu** without the need for extra equipment.
