

Pre-Installation Check -

Everything you need to know before installing the LAF at a customer's site

Accessories

Customers have the ability to connect to a second fridge to increase capacity - see the 3 options available below

- All second fridges must sit level with the unit. For Classic units, the second fridge sits above the counter and for Bar units below the counter.
- Second fridges cannot be further then 2m from the unit.

Can be directly purchased from LAF Factory

1

4 liter refrigerator

223 x 600 x 492mm (WxDxH)
(incl. 1 x 3.7l container)
